Master Mari Iri, thank you for today.

Look. it's in this article in this paper.

Well. I just found out about this great bakery!

You sure seem happy today.

Wee, we're done! Let's go.

C'mon, let's go now!

It sounds so yummy

It's said a genius baker boy works there and makes absolutely wonderful bread! I must try it!

The "Kurumi no Ki" bakery

You really like bread, don't you.

Cha~nge!

...and today may be the day I meet my perfect match!

Indeed! I must try the bread at all the bakeries I read about.

Eeeeeek!!!

See what Koume-shan?
Hey did you see what I did just now? You didn't right?
Please! You absolutely have to keep this a secret you two! I'm begging you!
A secret!!!
Not even my friends or rivals!
No one's supposed to know the unmasked face of a ninja! No one except their master and their partner!
Ohhh, what do I do?!
If Master Marilri finds out, she'll stop training me!
Koume-chan oh no

MASTER
When she's not training, Koume is trying bread at as many bakeries as she can She reads about most of them in her favourite magazine "Bread Love"
And by the way her birthday April 12th is Bread Day in Japan

The shop's busy as always, Wal!
Oh?
Yep, sure looks that way!
HERE HE IS!
Unmasked Wal kun!
Wears contact lenses when training
But your bread is the most popular
Maybe you should quit being a ninja and go into this line of work
Master you're cruel—

Whatever
Ohh? Which one?
Master look at that girl over there! I haven't seen her before but I like her...
My life's goal's to be a ninja!
I only work here as a household chore!
It's the truth
You say that but you're still only half as good as the usual trainee
THIEF!
Oh?
Gotta change my clothes first
Can't forget my contacts
He's really no good
Right!
Let's go!
Let me think I think it was a
The culprit was a Pokemon
Someone stole a girl's bread then ran off with a sack full of bread!
A thief? Where?

They're running into the forest, huh?
Pi!

Koume chan! Remember you're not supposed to talk about what you do when you have your mask off!
Oh yeah

What?!
You'll just be in the way!
But I won't be needing your help!
That's right!

I wasn't at the bakery!

Master you're cruel!

Well, see ya, Koume!
Shouldn't we go pay the bakers for that bread?
DOKI
No... I'm sure they'll understand if I just explain what happened.
A ninja may not reveal his face to anyone!
Is Koume apologizing?!
I have a bad feeling about this somehow
I was the one who was in the way. I was wrong
Forgive me. I said you'd get in the way, but
